

## About the Macleay Mini Makers Market

## What is the Macleay Mini Makers Market (MMMM)?

Macleay Mini Makers Market stall lets kids and young people showcase and sell their creations at the Kempsey Riverside Markets.

This initiative is about encouraging and supporting young creatives and entrepreneurs in our community.

## What is supplied?

A professional MMMM marquee and long table (with tablecloth) will be set up ready for the Maker to professionally display their items for sale.

## Who can have a stall?

Under 16s who live in the Kempsey Shire can showcase and sell their products for free at Kempsey Riverside Markets.

A minimum age limit may apply – this will be decided when reviewing application

## Does it cost anything to have a stall using the MMMM?

It's free - there are no stall fees.

## What can I sell?

Handmade products could be anything from silly slime, jewellery, artwork, pottery, candles, Show us what you've got we'd love to support you

## About the Macleay Mini Makers Market

### What do I need to do?

1. Request and fill in an application form – tell us about you and your handmade products
2. We will get back to you about if/when you can use the stall\*
3. On the day you use the stall, you will need to:
  - a. Bring all your products and do all set-up and pack up of your goods
  - b. Provide and manage their own cash float for sales (and/or portable EFT payment device)
  - c. Always have a responsible adult present while you are at the markets

*\*There is only one stall each month, so we will create a waiting list (based on order applications are received) and people will be offered the stall on a rotational basis, depending how much interest we get.*

*Where you might wish to share the stall with another mini maker you know, please include this in the application (you may need to bring additional table/s).*

### Who do I contact for an application form or more information?

You can contact [kempseyriversidemarkets@gmail.com](mailto:kempseyriversidemarkets@gmail.com)

### Who has made this possible?

It is a partnership between Kempsey Shire Council, who provided funding for the marquee and equipment, and Key Employment and Kempsey Riverside Markets who will manage the ongoing bookings and cover the stall fees.
